The screenshot displays a mobile application interface for document enrollment. At the top, there is a back arrow and the title 'Documents'. Below the title is a document icon and the text 'Documents' and 'Go Paperless with your Statements!'. The 'Notify at' field contains the email address 'youremail@website.com'. Under the heading 'Accounts to enroll', there are two checkboxes: one for 'Savings 0002 (x7777)' and one for 'Demand 0001 (x2222)'. A green 'Enroll' button is positioned at the bottom center of the screen. Two red arrows are overlaid on the image: one points to the email address field, and the other points to the checkbox for the 'Savings' account.

Enrollment is now complete. The next page will show your list of documents; they will become available during your next statement cycles.

If you need your statement immediately after enrollment please reach out to your local branch for assistance.
